

# BNP Paribas

We are currently looking for some trainees to join us in an initial 6 to 12 months full time contract, based in Hong Kong. Looking to start from mid June / July till end of the year depends on student's availability. No application deadline.

Students that are in their third or penultimate year study of bachelor degree are preferred. Graduates will not be considered. Experience with Financial Services firms, financial product and IT knowledge preferred. Fluent English as well as translation skills are needed.

JD can be seen by clicking the below links and applications will be accepted via the links.
