HSBC Summer Apprenticeships

Apprenticeships with HSBC provide a strong base on which to build the skills needed for a long-term and successful career in the world of banking. Hosted between June and September, Apprenticeships last eight weeks or longer depending on student-availability and business needs. This unique combination of practical experience and functional exposure has been designed to best inform you in deciding where your future career interests lie.

Opportunities for 2012 Summer Apprenticeships are offered in the following divisions:

- Compliance
- Corporate Sustainability
- Finance
- Insurance
- Retail Banking and Wealth Management
- Risk Management
- Securities Services
- Technology and Services

As part of an HSBC Apprenticeship, you will:

- Gain an inside understanding of your assigned function, as well as valuable insight into the workings of global financial markets
- Develop on-the-job practical experience, performing a variety of important project-based work
- Make a real contribution to the success of your assigned business team, as well as providing administrative support as required
- Benefit from the guidance of a colleague specifically assigned as a "student buddy"
- Complete a range of assigned eLearning modules critical to job performance
- Get involved in team networking and social events

Eligibility Requirements:

- Non-final year university student in any discipline
- Strong academic results
- Interest in developing a career in the financial industry
- Strong analytical, numerical, interpersonal and communications skills
- Solid PC skills in MS Word, Excel and PowerPoint
- Additional PC skills in Excel (Macro), Access and Projects, as well as Chinese typing skills, would be a definite advantage
- Well-developed language skills in English, Cantonese and Putonghua
- Hong Kong residency and legal right to work in Hong Kong

To apply for a Summer Apprenticeship position, please remember to upload your CV, university transcript, and HKCEE and HKALE results or equivalent for our consideration. Places are highly sought after and very limited, so please submit your application as soon as possible. The final deadline for applications is Wednesday 18 April 2012.

Please also specify in your CV which of the above listed business teams you would be most interested in joining, and we will try to take your preference into account when considering your potential assignments (please feel free to list multiple teams).
Subject to availability and candidate preference, unsuccessful Apprenticeship candidates may be considered for other student opportunities.

We will be offering new up and coming student opportunities throughout the year - please stay tuned to our careers website for regular updates. Interested students are encouraged to build their candidate profile on our Careerlink portal and subscribe to job alerts for latest graduate and student opportunities. Once registered, system generated emails will then be sent to you when opportunities suited to your profile arise.
