Overview
KPMG is a global network of member firms with over 152,000 people worldwide, including more than 9,000 people across 15 offices in China. We provide audit, tax and advisory services to many of the world’s most successful companies.

The advisory practice in KPMG China provides services to a huge range of clients and this is an important growth area for us. We work with clients to identify and tackle their issues and challenges – such as helping their businesses to grow, advising on restructuring, making their governance more efficient, or regulatory issues. The business world is a fast and constantly changing environment, and we strive to help our clients succeed in some of the most challenging economic conditions.

We are recruiting winter interns for our Actuarial Advisory department. If you are motivated, ambitious, and have the tenacity and drive to make a difference, we would like to hear more about you.

- **Actuarial**: Acting as an expert adviser to the insurance industry, our Actuarial team helps organisations to manage financial risk. Here, you’ll be given the chance to use detailed analysis of past events to create accurate models of the future – and crucially, advise on their financial implications.

Requirements
- Penultimate year bachelor or a master students, preferably in Actuarial, Quantitative Finance, Risk Management or Mathematics disciplines
- Permanent residents of Hong Kong or hold a valid Hong Kong work visa
- Genuine enthusiasm to be part of the profession
- The ability to adapt and grasp new concepts quickly
- Strong analytical and problem solving skills
- An interest in business and a forward-thinking mindset
- A strong and highly motivated team player with the passion and energy to deliver against tight deadlines
- Excellent written and verbal communication skill.
- Need to be able to explain complex ideas confidently and should be comfortable presenting
- Ability to overcome obstacles and thinking outside of the box
- Proficiency in English and Chinese
- Available full time for at least 3 months from December 2013 to March 2014

We offer successful candidates an attractive remuneration package and the opportunity to work in a dynamic and exciting environment.
