About KPMG

KPMG is a global network of professional services firms providing Audit, Tax and Advisory services to many of the world’s foremost companies. We operate in 154 countries and regions, and have 200,000 people across a range of disciplines working in member firms around the world. KPMG China is based in 21 offices across 19 cities with around 12,000 partners and staff in Mainland China, Hong Kong and Macau.

At KPMG, our purpose is to “Inspire Confidence and Empower Change”, helping China to open its doors to the rest of the world and work with our clients to create the future. We are looking for top students who are passionate, committed and eager to succeed – all degree disciplines are welcome.

Graduate Programme 2019 – Audit, Tax & Advisory

Join us as a graduate and, from early on, you’ll have hands-on client responsibility and the support you need to develop a breadth of skills and experiences that will enable you to fulfil your potential. You can work across geographies, industries and take on highly challenging and groundbreaking projects. If you inspire confidence and want to make positive, lasting change for those around you, find out about our culture and the graduate programmes we have.

Joining KPMG means that you will become an integral part of a multi-disciplinary team to help our clients excel in the changing market environment. You will enjoy world class training and tailored career development to help fulfil your potential. You will also be motivated to learn new things every day and work with some of the best talent around the world. Our reputation as a leading professional service provider is reinforced by the wide range of awards KPMG has received over the years as the employer of choice, for our strong community involvement and our wealth of knowledge in the professional industries.

Requirements

- A bachelor or a masters degree (from all disciplines)
- Good written and verbal communication skills
- Passionate, committed and eager to succeed
- Self-starters with good analytical and problem-solving skills
- Applicants for Mainland China offices should be Chinese nationals
- Applicants for Hong Kong office should have the right of abode in Hong Kong
- Applicants for Macau office should be Macau citizens
KPMG Summer Internship 2019 - Audit, Tax & Advisory

KPMG’s internship programme is organised to ensure that every student who joins us can gain intensive on-the-job experience during the period and get a real understanding of the industry. Interns will learn important professional skills and have the opportunity to determine what kind of work area suits them best. Necessary training courses will be provided before assigning our interns to an engagement. We will assign each intern a buddy who will answer any questions and explain how things work around the office. As an intern you are also assigned a mentor who will guide your career and provide feedback on your skills, learning and development.

**Internship period**
- 2-3 months starting from June 2019

**Requirements**
- Preferably penultimate year bachelor or masters students (from all disciplines)
- Good written and verbal communication skills
- Passionate, committed and eager to succeed
- Self-starters with good analytical and problem-solving skills
- Applicants for Hong Kong office should be permanent Hong Kong resident or holder of a valid Hong Kong work visa

**Application**
