

Business Analyst, YATA Limited

Background

YATA Limited is a reputable department store and supermarket operator with our base in Shatin. We aim to bring exciting shopping experience to our customers through delivering quality Japanese products and innovative engagements. The group currently has 13 stores across Hong Kong with over 1,000 employees.

The **Business Analyst** is a LONG-TERM position that will support the Business Development / Special Projects Department on a project level, the company's fast moving, cross department initiatives in driving for business impact. S/he will work closely with senior management team and colleagues across the organization to formulate, drive and execute on strategically important projects.

Ideal candidate will enjoy working on a variety of topics and are comfortable with ambiguity. Self-motivated, positive, with solutions and impact-oriented attitude and strong drive for excellence.

Roles and responsibilities

- Conduct market research, in-depth quantitative and qualitative analyses for new store projects/ new business model/ initiatives for business enhancement
- Support on-the-ground researches on an as-need basis including surveys/ focus groups
- Support projects in areas including but not limited to exploring new business opportunities (Digital and non-digital)/ process and business transformation/ research papers for YATA
- Work closely with other departments and management team to formulate strategy, make actionable recommendations and follow through to implementation of these initiatives
- Monitor key trends and developments of the Global and Hong Kong retail market

Requirements

- Degree holder, preferably in business/ economics related discipline
- Interest in joining retail industry a must, experience in retail a plus
- Up to 3 years of experience in commercial sector or consulting/ advisory services. Fresh graduates welcome
- Solid quantitative skills – ability to run analyses independently
- Good business acumen with attention to detail
- Positive personality and professional demeanor, good interpersonal and communication skills
- Strong sense of ownership for one's work
- Good command of written and spoken English and Chinese. Cantonese is a must and conversant Mandarin a plus
- Proficiency in MS Office, Word, Excel, Power Point etc
