Summer Graphic Design Internship 2020

Internship Description:

BearLyfe Limited is a newly established social media brand and platform for online/offline fitness, wellness and cultural activities. Our mission is to help people bear with the immense stress they face in their daily lives.

As a project under Cyberport, We’re looking for a talented and knowledgeable designer with fresh, creative ideas and an excellent eye for detail.
Graphic Design Intern Duties and Responsibilities:

- Create and design print and digital materials
- Adhere to brand guidelines and complete projects according to deadline
- Retouch and manipulate images
- Use graphic design software and work with a wide variety of media
- Collaborate with the Creative Director and Head of Design to develop design concepts
- Receive feedback from the Creative Director and Head of Design to make necessary changes
- Assemble final presentation material for printing as needed

Requirements:

- Basic knowledge of layouts, typography, line composition, color, and other graphic design fundamentals
- Experience with InDesign, Adobe Photoshop, and Illustrator
- Strong creative and analytical skills
- Compelling portfolio of graphic design work

Benefits:

- Work on a wide range of graphic design projects
- Receive guidance and feedback from successful graphic design and ad agency professionals
- Attend weekly meetings and participate in networking events
- Flexible schedule for students
- Compensation available
