Luen Thai

Management Trainee

Company background

Our company established in 2002 with offices all over China (Shenzhen, Xiamen, Shanghai, and Wuxi) as well as overseas subsidiaries in FSM, Cook Island, Samoa, Marshall, Palau and Saipan, with over 1000 employees today. Committed to sustainable fisheries development, we are the first Chinese fishery enterprise to have the MSC certificates. Beside fishing, the Company has also strong businesses in domestic and international trading of quality seafoods, fishing materials for exporting and importing of aquatic products. We have established an integrated whole industrial chain business model of "production, supply and marketing" in the Pacific region, such as ocean fleet fishing, operation of overseas fishery base, air transportation, sea transportation, processing and sales, etc., with businesses covering Asia, America, Europe, etc.

Job Description

It is a one-year training program where selected candidate will be given an opportunity to learn the fisheries and seafood trading industry through participation in the operation, inventory control, sales & marketing with off-line and On-line Marketing / social media platforms as well as E-commerce.

Upon completion of the one-year training and job rotation, the incumbent may be considered for a permanent position upon satisfactory performance. Assist in ad-hoc projects and marketing activities
