

About Us

To facilitate an early career preparation and prepare future global workforce, the Office of Student Affairs has pioneered the Global Internship Programme (GIP) since 1997 providing students with opportunities to work in the cities of Mainland China and across the world, e.g. Beijing, Berlin, Jakarta, Kuala Lumpur, London, New York City, Shanghai, Sydney, Tokyo, Vancouver, etc.

In response to the risk arise from international travel during pandemic, we've launched virtual internship programme and arranged non-local students for offshore placements in their home country since 2020. More than 7,600 students have returned from internship with a glocal perspective, professionalism, innovative mindset, and competencies throughout the two decades.

Sharing of Student Interns

Steven Prasasta

Through the 10-week internship at Standard Chartered Bank Indonesia, I have equipped myself with a better time management skill and a holistic view of Indonesia business environment.

Miranda Yin

Working at the Public Education Department of Han Yang Ling Museum provided me a new perspective to understand my major and future career.

Lizie Kim

Having virtual internship in Singapore company was an interesting experience. I got a tremendous amount of support and advice from my supervisor. As I plan to work in Singapore after graduation, this experience has helped me approach a step closer to my career aspiration.
