Employment Policy for Non-Local Students

No Objection Letter (NOL) Sample 1

Dear Sir/Madam,

Application for Student Visa/Entry Permit

I am pleased to inform you that your visa/entry permit application for studying at [University] has been approved.

Please note that under Regulation 20(1) of the Immigration Regulations, Cap. 115A, the permission to be given to you to land in Hong Kong as a student shall be subject to the following conditions of stay:

(a) you shall become a student only at a specified school, university or other educational institution and undertake such course of study as may be approved by the Director of Immigration;

(b) that you shall not-

(i) take any employment, whether paid or unpaid; or

(ii) establish or join in any business.

In addition, the permission for you to remain in Hong Kong will end upon expiry of your limit of stay or four weeks after termination of your studies, whichever is the earlier.

Notwithstanding the above, the Director of Immigration has no objection to your taking up part-time on-campus employment for not more than 20 hours per week throughout the year and employment during the summer months within the currency of your limit of stay while you remain as a student at [University] studying at [Programme] in Hong Kong.

[University]

11 June 2014

Yours faithfully,

Employment Policy for Non-Local Students

No Objection Letter (NOL) Sample 2

Dear Sir/Madam,

Application for Student Visa/Entry Permit

I am pleased to inform you that your visa/entry permit application for studying [Programme] at [University] has been approved.

Please note that under Regulation 2(3) of the Immigration Regulations, Cap. 113A, the permission to be given to you to land in Hong Kong as a student shall be subject to the following conditions of stay:

(a) that you shall become a student only at a specified school, university or other educational institution and undertake each course of study as may be approved by the Director of Immigration; and

(b) that you shall not:
   (i) take any employment, whether paid or unpaid; or
   (ii) establish or join in any business.

In addition, the permission for you to remain in Hong Kong will end upon expiry of your limit of stay or four weeks after termination of your studies, whichever is the earlier.

Notwithstanding the above, the Director of Immigration has no objection to your taking up study/curriculum-related internship as may be arranged or endorsed by the [University] during the academic year of 2014/15 while you remain as a student studying [Programme] at [University] and your limit of stay in the HKSAR remains unexpired. The duration of the internship is up to one year or one-third of the normal duration of [Programme], whichever is the shorter. Nevertheless, the internship cannot take place before you are officially registered with [University] and begin attending the scheduled classes of [Programme] in Hong Kong, or when you have satisfied all the course/credit requirements for graduation, e.g. you have just finished your final year of study.

Please note that the Director of Immigration’s “no objections” set out in this letter will only be valid on the condition that you have a valid permission to remain as a student in Hong Kong. In the event that you switch to another institution and/or study programme (even within the same institution), the “no objection” by the Director of Immigration shall lapse and the relevant terms set out in this letter will no longer apply. Your eligibility for taking up study/curriculum-related internship will be assessed afresh.

Please be reminded that you are not allowed to take up any employment outside the scope set out in this letter without permission from the Director of Immigration. A breach of any condition of stay will render you liable to prosecution and removal from Hong Kong under the Immigration Ordinance, Cap. 115.

Yours faithfully,
