

# Wealth Management Analyst/Associate Programme

## Unlock Your Future in Private Banking

Step into a world of opportunity with Bank of Singapore, Asia's global private bank. Our 2-year Wealth Management Analyst/Associate Programme is a highly sought-after opportunity to accelerate your career in private banking.

Through structured training and hands-on experience, you'll gain deep insights into the dynamic world of wealth management. Learn from experienced professionals, master the latest financial solutions, and develop the skills to build trusted, long-term client relationships.

As part of the programme, you will:

- Collaborate with senior bankers to design personalised wealth management solutions for high-net-worth clients
- Expand your network across the bank and the industry
- Develop into a confident, client-focused professional

By the end of the programme, you are expected to build trusted relationships with clients, be involved in new business developments and capitalise on growth opportunities as a Junior Relationship Manager.

### What we look for

- Postgraduate degree preferred; Bachelor's degree may be considered.
- At least two years of full-time work experience
- Highly motivated with good interpersonal and communication skills.
- Entrepreneurial qualities, positive attitude and trustworthiness.
- Passion in investing, financial markets and client advisory.
- Able to start full-time work on 1 July 2026.
- Candidates with more than three years of relevant full-time work experience may be offered an Associate role.

**Are you ready to shape the future of wealth with us?**

Submit your application via our Bank of Singapore Wealth Management Programme webpage from **1 September 2025 to 31 October 2025**

# About Bank of Singapore

**Asia's global private bank**  
**Rooted in Asia, global in perspective**

Bank of Singapore, a subsidiary of OCBC, is a leading private bank in Asia serving high net worth individuals and wealthy families since 2010. Headquartered in Singapore, we have a strong presence in global wealth hubs such as Hong Kong and Dubai.

Our comprehensive range of services includes portfolio management, advisory services, and managed investments. Clients also have access to OCBC's full suite of investment and commercial banking solutions such as financing, insurance, and brokerage services. With one of the largest research teams in Asia, we empower clients to make informed decisions on fixed income, equities, and money market investments.

We prioritise talent development and foster a people-first culture, offering extensive training, mentorship programmes, cross-divisional projects, and networking events. Our commitment to excellence has earned us industry accolades, including recognition as the 2024 Best Digital Innovator in Asia and the Best Private Bank for Digital Wealth Planning and AI at the Global Private Banker WealthTech Awards. We are also proud to receive the 2024 Best Private Bank for ESG - Overall at the Global Private Banking Innovation Awards, reflecting our dedication to sustainable investing for future generations.
